

WHEN TOMORROW STARTS WITHOUT ME

*When tomorrow starts without me and I'm not here to see
If the sun should rise and find your eyes,
all filled with tears for me.
I wish you wouldn't cry the way you did today
While thinking of the many things we never got to say.
I know how much you love me, as much as I love you
Each time that you think of me, I know you will miss me too.
But when tomorrow starts without me, please try to understand
That an angel came and called my name and took me by the hand.
He said my place was ready, in heaven far above,
And that I would have to leave behind, all those I dearly love.
But as I turned to walk away, a tear fell from my eye
For all my life, I'd always thought I didn't want to die.
I had so much to live for, so much yet to do
It seemed almost impossible,
I thought of all the yesterdays, the good ones and the bad.
I thought of all the love we shared, and all the fun we had.
If I could relive yesterday, even for awhile,
I'd say goodbye and kiss you, and maybe see you smile.
But then I fully realized that this could never be,
For emptiness and memories would take the place of me.
So when tomorrow starts without me, don't think we're far apart,
For every time you think of me, I'm right there in your heart.*

Obituary

Francine Conde, affectionately known as "Fran" was born December 16, 1965, to Hymie and Norma E. Conde in Harlem, New York. She was the third of their four children.

Fran spent her childhood in the Ralph J. Rangel (Colonial) Houses where she formed countless friendships, most of them spanning a lifetime. Fran spent many days playing in the Rangel Houses where she was a member of the JB dancers and played skellies, hop scotch, double dutch and many other games.

Fran received her education in the New York City Public School System where she attended P.S. 46, Wagner Junior High School, and Park West High School where she graduated from in 1983. She would go on to obtain several certifications in Medical Coding and Billing and became a Certified Professional Coder.

Fran enjoyed cooking for her family and at times the community. We can all recall waiting for 'Family Day' in Colonial just to have Fran's famous pastelitos. Leading up to Family Day people would remind her to save them some "patties". She felt honored to cook for her community, often using a vacation day, or two at work to prep for Family Day. She also loved swimming, all she needed was a glimpse of the sun and she would be at the pool. She shopped often, and when she found an item that caught her eye, multiple colors of that item were purchased.

Anyone who knew Fran, knew how big her heart was, and how much she loved helping people, this was evident in her role as Executive Director at Rena Coa, a community center program that served children, seniors and the entire community. A community, which would become family to her. After leaving Rena Coa, she would change career paths and embark on a career in the healthcare industry which surpassed 20 years. This career path included 17-years as an Account Representative and Authorization Specialist at Allied Urological Services, and the past four years with her current role as Manager of Revenue Cycle Management at Pathways Health and Human Services, LLC. She was often recognized for her invaluable contributions and accolades.

Fran held many titles in life but the title she cherished the most was Mother, a role she absolutely loved. She loved her two children Robert L. Walker III, and Jade A. Green immensely. There were no limits to what she would do for their happiness. Francine's legacy further blossomed with the arrival of her two grandchildren, Ava L. Walker and Logan Green-Mota whom she shared irreplaceable bonds.

Fran was extremely devoted to her family, playing a pivotal role in many lives, from her nieces and nephews, all the way to her great nieces, nephews and god children. Her mother was truly her best friend, her brother's as well. Fran was extremely devoted to Christ, she was a member of New Life Better Living Church for 14 years where she served as Treasurer for 12 years.

Francine departed this life on January 6, 2024 in Fredericksburg, VA. She leaves to cherish her memory one son Robert L. Walker III, one daughter Jade A. Green, two grandchildren, Ava L. Walker and Logan Green-Mota, her mother Mrs. Norma E. Conde, brothers Hymie Conde Jr. (Patricia), Kenneth Conde Sr. (Theresa) and Rodney Conde, nieces Tiffany, Kimberly, Yesenia, Kenesa, Savannah, Aniya, Anila, Lexington and Nova. Nephews Niko, Corey and Landon. Five God-children Tiara, Deasia and Brett, Malachi and Gary, a host of great nieces and nephews, cousin's, family members and many friends.
