REFLECTION OF LIFE

Lincoln Beresford Harris was born on August 30, 1951, to the happy parents who preceded him, Beresford, and Joyce Harris, of Eden Vale, St. James, Jamaica. He was the sixth of thirteen children; two younger brothers preceded him. God called Lincoln home on Monday, November 11, 2024.

His education began at Goodwill Elementary School, then went on to Harrison Memorial High School in Montego Bay, Jamaica. Lincoln was an excellent student and excelled in academics which led him upon graduation to work in the Hotel Industry. He continued his professional career as an Accountant in the same Industry when he came to the United States in January of 1975.

Lincoln's dad wanted him to be a Medical Doctor, it was not to be, however his professional skill was in the field of Financial Accounting, which he mastered very well. In later years Lincoln went in the field of Entrepreneur, owning a Trucking & Moving Company.

Lincoln married the love of his life Savayolia Potts and blessed with sons, Lashun, James, and the proud father of his only daughter Tiffany Harris. Lincoln had a close and loving relationship with his daughter, also Lincoln maintained a remarkably close and deep affection with his siblings and all extended family here in USA, and Jamaica, he would always call daily to ask, is ever thing okay. Though far from his native home in Jamaica, he shared his love of giving with friends and parishioners at Bethtephil Baptist Church.

Lincoln grew up in the church at Bethtephil Baptist, Jamaica, attending Sunday Scholl and throughout his life he maintained a committed faithful relationship to his Christian faith. He was active in the community he grew up in, giving, caring, helping, and sharing whatever he could do with those who needed help and would not hesitate to put their needs in front.

Lincoln was a humble, principled, enthusiastic, and passionate person, never one who argues, only to show kindness to all. Just to give an example of how disciplined Lincon was, he would never wear his shirt out of his pants up to the last day when his breath left him because his dad taught him to keep the shirt tucked in. One would not imagine how well maintained his clothes closet was, as his wife showed pictures.

Finally, Lincoln really enjoyed life, always with a smile, a man of class, sweet, energetic, disciplined, and generous to family and friends, if you were his friend, the friendship was for life. Because of his love for all he will be missed greatly. Lincoln is survived by wife Savayolia, daughter Tiffany, sons Lashun & James, grandchildren, two brothers, eight sisters, brothers-in-law, sister-in-law, nieces, nephews, great nieces, great nephews, cousins, former colleagues, host of dear friends and other family members.

“The most important thing a father can do for his children is to love their mother.”
