— IRVING BERLIN

*He will Always be around
He is the stars, twinkling at night,
He is the moon, glowing and bright,
He is the sunshine, rising at dawn,
giving you light and keeping you warm.
He is the rainfall, caressing your cheek,
sending you rainbows to brighten your week.
He is the wind, drying your tears,
blowing away troubles, smoothing your fears.
He is the clouds, so look to the sky,
check out the shapes as He is passing by!
He is that butterfly, hovering above,
that feather, that robin, bringing you love.
He is the songs and that music you hear,
sending sweet memories, keeping you near.
He the flower that sends out its scent,
He is still around you, He never went!
So whenever you're feeling lonely or down
Remember He is with you, He is always around.*
